William Hogarth (1697–1764): Medicine and Morality – Talk by Mike Davidson

William Hogarth developed the art form “modern moral subject”. These are several series of paintings and engravings that tell cautionary tales through vivid, often humorous depictions of Georgian life.

Hogarth’s London was a city where wealth, disease, poverty, and immorality intertwined. His art captured the medical and social realities of 18th-century urban life with biting satire. This talk looks at Hogarth’s work from both a medical and moral viewpoint.

Pastoral Group

We are aware that for various reasons some folk cannot come to chapel but would like a visit or home communion, or just to be added to our prayer list. If you do have such a need do please phone either Gill Yaskin on 07872 187031 or Tim

Spotswood on 01823 490142. Everything discussed will of course be completely confidential.

For our Prayers

Please keep in your prayers all those known to us who are in need of God's grace in their lives and all our faithful members and friends who, for various reasons, are unable to be with us on Sunday mornings. Please also pray for those who are affected by the recent floods.

BMS Birthday Scheme

We celebrate the birthday of Anne Coate on 25th. We thank her for supporting the scheme and wish her a very happy day.

Flower Rota

There is a plan to discuss church flowers at the next Church Meeting. Therefore there is no flower rota for February.
